India Visa Checklist - Applying By Mail

Tourist Visa: A Tourist visa is given to those visiting India for tourism or other non-business related purposes. Applicants volunteering, working with charities or working with non-profit organizations must apply for an Employment visa. 5 year and 10 year Tourist visas are available only to US citizens under a bilateral arrangement. There should be a gap of at least 2 months between two separate visits to India on a Tourist visa. For Tourist visa holders who wish to visit India within 2 months of their last visit, an application for a Permit to Re-enter India is necessary. No Permit is needed if the visa holder is traveling to multiple countries on the same itinerary and the trip follows the itinerary exactly. The visa holder must carry a copy of the itinerary to show the Immigration Officer. All non-US passport holders are only eligible for up to a Six (6) month Tourist visa. Irrespective of the duration of validity of visa, on each visit maximum period of stay in India is limited to 6 months (180 days). Please note the visa is valid beginning on the day it is issued. So a 6 Month visa issued on January 1 would be valid until June 30.

Your visa application will not be processed without all items listed below. If all items are not provided, your application may be returned to you, and the service fee of \$13.00 along with any applicable shipping charges will apply.
